No. 10I.—Whereas it is expedient to consolidate and amend the rules relating to the offices of patel and patwari in the Hyderabad Assigned Districts:—His Excellency the Viceroy and Governor-General in Council is pleased to issue the following orders:—

1. (1) These orders may be called the Berar Patels and Patwaris Law, and are hereinafter referred to as "this law."

(2) This law extends to the territories known as the Hyderabad Assigned Districts; and

(3) It shall come into force on the first day of January, 1886, but not so as to affect anything done, or any proceedings commenced, before that day.

2. In this law, unless there is something repugnant in the subject or context, the expression "village" means an area for which the office of patel or patwari has been constituted, and includes a group of villages and the sub-division of a village known as a *khel* where at the time of this law coming into force there is a separate patel for the sub-division.

3. (1) There shall not be more than one patel in a village if the duties of the office can be efficiently performed by one patel.

(2) If there are two or more patels in a village the Deputy Commissioner shall, subject to the rules made under this law, distribute the duties of the office among them in such manner as he deems fit.

4. The area comprised in the circle of a patwari at the time of this law coming into force may, with the sanction of the Resident, be varied for the purpose of securing compactness, but for no other purpose.

5. (1) When the office of patel or patwari becomes vacant in any village, except a village held on *jagir* or *palampat* tenure, the Deputy Commissioner shall, subject to the provisions of

this law, and of the rules made under this law, appoint a person to fill the vacancy,

(2) The Deputy Commissioner shall cause notice of the day on which he will take the appointment into consideration to be given to persons known to be interested therein, and on that day, or on any subsequent day to which an adjournment may be made, shall hear and record any statements those persons may desire to make.

(3) The Deputy Commissioner shall in making the appointment have regard to the following matters, namely,—

(a) the law of inheritance applicable to the family by which the office is held,

(b) the custom which has regulated previous tenure of the office, and

(c) the physical, moral, mental, and educational fitness of the persons having any claim to the office,

and shall not appoint a woman if a male relative of the late incumbent of the office exists.

(4) If there are two or more patels in a village, and there are two or more families or sub-divisions of a family which have enjoyed the right of service, the patels will ordinarily be selected from different families or sub-divisions.

(5) The Deputy Commissioner shall, where the appointment he may make has been opposed, record at length his reasons for deciding in favour of the person whom he has appointed.

6. (1) In a village held on *jagir* or *palampat* tenure the *jagirdar* or *palampatdar* shall, on the occurrence of a vacancy, nominate the patel or patwari, and the Deputy Commissioner may appoint the nominee.

(2) If the *jagirdar* or *palampatdar* nominates a person not qualified to perform the duties of the office, or in the nomination disregards with-

out sufficient reason the law of inheritance applicable to the family by which the office is held, or the custom which has regulated previous tenure of the office, the Deputy Commissioner shall refuse to appoint the nominee, and, if a proper person is not nominated within fifteen days from the date of the notice of the refusal being given to the *jagirdar* or *palampatdar*, shall himself appoint a person to the office as though the village were not held on *jagir* or *palampat* tenure.

7. (1) Patels and patwaris shall be appointed, subject to the condition of personal fitness, to hold office either for life, or for a term of not less than five or more than ten years.

(2) An appointment for a term of years shall not be made without the sanction of the Commissioner.

(3) Such an appointment may be sanctioned by the Commissioner in either of the following but in no other cases:—

(a) Where it has been the custom, from the commencement of British administration in the Hyderabad Assigned Districts, for two or more families, or two or more sub-divisions of the same family, to hold office in rotation for successive periods; or

(b) where conflicting claims of two or more families, or of two or more sub-divisions of a family, are so evenly balanced as to be irreconcilable with the exclusive choice of any one family or sub-division.

(4) An appointment for a term of years may be made in recognition of the claims either of the particular person appointed, or of the family or sub-division of a family to which the person appointed belongs. In the latter case, if, before the expiration of his term of office, the person appointed dies, or becomes physically or mentally unfit to discharge his duties, his successor shall, subject to the condition of personal fitness, be selected from the same family or sub-division of a family, and shall hold office until the person whom he has succeeded would regularly have gone out of office, and shall then go out of office.

8. (1) An adult Patel or patwari who is temporarily unable to perform his duties personally may, with the sanction of the Deputy Commissioner, appoint an agent to perform them for a period not exceeding one year.

(2) The mother of a minor Patel or patwari, or, if he has no mother, the person who stands in the relation of guardian to him, may, with the sanction of the Deputy Commissioner, appoint an agent to act for him till such time as he attains his majority.

(3) A woman who holds the office of Patel or patwari may, with the sanction of the Deputy Commissioner, appoint an agent to perform the duties of her office.

(4) The agent shall be a member of the same family or sub-division of a family as his principal, unless the Commissioner sanctions the appointment of some other person.

(5) The agent shall have the same powers, and be subject to the same liabilities, as his principal would have and be, subject to if he were personally performing the duties of his office.

9. (1) The emoluments appertaining to the office of Patel or patwari shall be enjoyed solely by the person for the time being holding the office.

(2) If an agent is performing the duties of the office, his remuneration shall be regulated by arrangement between him and his principal or, as the case may be, between him and the mother of, or the person standing in the relation of guardian to, his principal.

(3) If there are two or more Patels in a village, the Deputy Commissioner shall, subject to the rules made under this law, determine the proportions in which they shall share in the emoluments of the office.

10. The emoluments appertaining to the office of Patel or patwari shall not be liable to attachment or sale in satisfaction of a decree or order of any Civil or Revenue Court.

11. Every assignment of, and every charge on, and every agreement to assign or charge, any emoluments appertaining to the office of Patel or patwari shall be void.

12. (1) The Deputy Commissioner may suspend a Patel or patwari from office during enquiry into alleged misconduct, and may punish him for misconduct or neglect in the performance of his duties by suspension from office for a period not exceeding six months, or by fine not exceeding one-fourth of the annual emoluments of his office.

(2) A fine inflicted under this section may be recovered by distraint and sale of the moveable property of the offender.

13. The Deputy Commissioner may suspend or dismiss an agent for any misconduct or neglect, and may, with the sanction of the Resident, dismiss from office a Patel or patwari, in case of fraud, the wilful framing of incorrect records, habitual neglect of duty, or other grave misconduct.

14. When a Patel or patwari, or an agent of a Patel or patwari, is convicted by the Court of Session, or by the District Magistrate, of any offence in the discharge of his official duties, the Resident may direct that any title which the family of the Patel or patwari who has been convicted, or whose agent has been convicted, may have to the office of Patel or patwari, as the case may be, shall be forfeited, either temporarily or permanently, as the Resident deems fit.

15. Before passing an order for the suspension or dismissal of a Patel, patwari or agent under section 12 or section 13, the Deputy Commissioner shall give him an opportunity of explaining the matters alleged against him and shall record any statement he may desire to make.

16. Notwithstanding anything hereinbefore contained, a vacancy caused by the suspension or dismissal of a Patel or patwari may, by order of the Deputy Commissioner, be filled for a period not exceeding six months in the case of suspension, or five years in the case of dismissal, without regard to the law of inheritance applicable to the family by which the office is held or to the custom which has regulated previous tenure of the office.

17. (1) An appeal shall lie to the Commissioner from any order passed under this law by a Deputy Commissioner.

(2) An appeal shall lie to the Resident from an appellate order of the Commissioner which reverses or modifies an order of the Deputy Commissioner.

(3) An appeal shall not be received by the Commissioner after the expiration of sixty days, or by the Resident after the expiration of ninety days, from the date of the order complained of.

(4) The periods mentioned in sub-section (3) shall be computed in the manner prescribed in the Indian Limitation Act, 1877.

18. The Resident may from time to time call for and examine the record of any proceedings held under this law, and pass thereon any order consistent with this law which he thinks fit.

19. Orders passed by the Resident under this law shall be final.

20. A Civil Court shall not exercise jurisdiction with respect to any claim by any person to the office of patel or patwari, or to any emolument appertaining to the office, or on account of any injury caused by exclusion from the office:

Provided that nothing in this section shall be held to prohibit a Civil Court from entertaining a suit for a decree declaratory of social rights appertaining to any person by reason of his connection with a family by which the office of pate; or patwari is held.

21. The Resident may, from time to time, make rules consistent with this law—

(a) prescribing the educational qualifications of persons to be appointed patels or patwaris;

(b) defining and distributing the duties of patels, and prescribing the duties of patwaris;

(c) regulating the division of emoluments between patels, where there are two patels in a village, and the distribution of emoluments among patels, where there are more than two patels in a village;

(d) prescribing the mode of service of notices under this law;

(e) regulating the procedure of the Commissioner and of Deputy Commissioners under this law; and

(f) generally, for the guidance of the Commissioner and of Deputy Commissioners in all matters connected with the carrying out of this law.

CIVIL PENSION CODE.

Section 188.

Rule 1.

Page 103.

Substitute the following for the last sentence of this rule:—

The following Rules apply to the cases of officers of the late Indian Navy, re-employed

under Government, who have commuted the whole, or a portion, of their Indian Navy pensions:—

(1) If the re-employment of the officer commenced after the 31st of July 1883, his salary will be subject to a deduction equal to the amount of pension commuted, provided that his total emoluments shall not thereby be reduced to a less amount than the original pension, together with a quarter thereof. The officer will not be entitled by reason of such deductions to resume, on the termination of his re-employment, any portion of the amount of pension commuted.

(2) If the re-employment of the officer commenced on, or before, the 31st of July 1883, his salary will be subject to deductions as above; but—

(3) If deductions under Rule 2 have been regularly made during the whole period of his re-employment, he will be allowed to discontinue payment of the deductions when the aggregate amount deducted equals the capital value (calculated at the date of the commencement of his re-employment) of the amount of pension commuted.

(4) An officer under Rule 2 will be allowed on the termination of his re-employment to resume the amount of pension commuted, provided that the full capital value, as described in Rule 3, has been repaid by the deductions from his salary. If such capital value has not been repaid in full when the re-employment ceases, the amount of pension commuted may be resumed on the officer paying up the balance, and with effect from the date on which he pays such balance.

(5) An Indian Navy pensioner re-employed on or before the 31st of July 1883, from whose salary the deductions prescribed in Rule 1 have not been regularly made during the whole period of his re-employment, is not entitled to the concessions specified in the subsequent rules, and is subject to deductions under Rule 1 from the date on which it is known that such deductions are not being made, or such earlier date as may be determined by the Government of India.

SAVINGS BANKS.

Calcutta, the 4th January 1886.

No. 33.

RESOLUTION—By the Government of India, Department of Finance and Commerce.

The Governor-General in Council has had for some time under consideration the expediency of continuing, in the same place and for the same purpose, the dual system of the District and the Post Office Savings Banks. His Excellency in Council has now decided that the District and the Post Office Savings Banks should be amalgamated, and that the Post Office organisation being more widely spread and more convenient for the public than the Treasury system, the District Savings Banks should be closed and their accounts transferred to the Post Office Savings Banks. The Government District Savings Banks will accordingly be closed, with effect from the 1st April 1886. Any balances in the District Savings Banks on the date of closing will be transferred to the Post Office Savings Banks. From the date of the receipt of the present orders no new accounts should be opened in any District Savings Bank. Any person wishing to open an account in a District Savings Bank should be directed to apply to a Post Office Savings Bank. Depositors having accounts in District Savings Banks can, in the interval which will elapse before those Banks are closed, apply for the transfer of their accounts to some Post Office Savings Bank under the rules which are now in force for such transfers. The Comptroller and Auditor General and the Director General of the Post Office are authorised to take measures calculated to encourage voluntary transfers of the above nature.

ORDERED, that the Resolution be communicated to the Comptroller and Auditor General and the Director General of the Post Office of India for information and for the issue of further necessary orders.

Ordered also, that the Resolution be published in the *Gazette of India* for general information.

SAVINGS BANKS.

Calcutta, the 8th January 1886.

No. 110.

ORDER—By the Government of India, Department of Finance and Commerce.

Ordered that the Report and Statements be published in the *Gazette of India* for general information.

No. 205, dated the 29th December, 1885.

From—The Officiating Comptroller and Auditor General,

To—The Secretary to the Government of India, Department of Finance and Commerce.

I have the honour to submit my report on District and Railway Savings Banks for the year 1884-85, and I have included in it some particulars respecting the Savings Banks in the Madras and Bombay Presidencies, the Presidency Savings Bank, Calcutta, and the Military and Post Office Banks. Opportunity has been taken to amplify the statement of deposits, withdrawals and balances so as to include the transactions of all these Banks as far as available, and to substitute the figures of the finance accounts for those given in previous reports, which being prepared before the finance accounts were complete, did not occasionally contain the latest corrections; the differences, however, were never of any importance.

2. No changes were made during the year in the rules or the management of these Savings Banks, except as regards the purchase and sale of Government Securities. Such operations were formerly undertaken for persons, whether depositors or not, of moderate income, and who belonged to a class that does not ordinarily have transactions with bankers. These restrictions have for the present been removed, and any person may now employ the Savings Bank for the purposes of such investment, but it is intended to hereafter confine this business to *bond fide* Savings Bank depositors so as to avoid any possible competition with private Agencies.

3. I enclose the usual Statements marked I to VI, and the principal facts contained in them may be summarised as follows:—On the 31st March last, there were 5,859 Government Savings Banks in India, including Berar, and they contained 243,037 deposit accounts, which received R 15,80,372 as interest, and possessed balances aggregating R 4,70,06,192. In addition to these balances the depositors in the District, Railway, Calcutta Presidency and Post Office Banks held in my custody Government promissory notes amounting to R 2,09,700. These figures were distributed as follows among the various classes of Banks:—

DESCRIPTION OF BANKS.	Number of Banks.	Number of depositors.	Interest earned.	Bank Balances.	Nominal amount of Government Promissory Notes.
District Banks	180	23,695	2,71,584	77,38,962	60,100
Railway Banks	12	8,972	41,258	13,18,620	4,700
Madras Banks	1	11,120	92,565	27,54,460	} Not reported.
Bombay Banks	1	48,535	6,31,869	1,74,28,470	
Presidency Bank, Calcutta	1	12,016	1,01,435	28,75,730	13,600
Military Banks	165	16,100	66,454	14,65,790	...
Post Office Banks	5,499	1,22,599	3,75,207	1,34,24,160	1,31,300

4. The net result of the year's operations may be stated as follows:—

	NUMBER OF BANKS.		NUMBER OF ACCOUNTS.		BANK BALANCES.		GOVERNMENT PROMISSORY NOTES BALANCES.		AVERAGE DEPOSITOR'S BALANCE.	
	Increase.	Decrease.	Increase.	Decrease.	Increase.	Decrease.	Increase.	Decrease.	Increase.	Decrease.
District Banks	1,034	...	2,54,132	7,500
Railway Banks	1	...	2,347	...	3,06,770	...	700	20
Madras Banks	168	...	67,380	} Not reported.	6
Bombay Banks	2,415	...	3,48,980	1
Presidency Bank, Calcutta	104	68,190	100	11
Military Banks	5	4,347	35,650	77	...
Post Office Banks	300	...	37,751	...	59,24,000	...	92,200	...	21	...
TOTAL	300	...	43,651	4,515	68,09,592	1,35,570	93,000	7,500

The chief increase is, as might be expected, in the Post Office Savings Banks; and it is rather surprising that with their competition the District Banks and those in the Bombay Presidency should show an increase, while in Calcutta and in the Madras Presidency the decrease is but small. The increase in the District Banks is, however, less than the amount credited as interest, the actual withdrawals (R33,50,150) having exceeded the deposits (R33,29,125). The Railway Banks received a large addition when the State took over the Eastern Bengal Railway. No explanations have been given respecting the Madras, Bombay, and Military Banks; but with reference to the Presidency Bank, Calcutta, the Secretary and Treasurer, Bank of Bengal, writes, that since the limit of deposit and the rate of interest were altered in 1881, the balances in the Bank have gradually diminished, while the number of accounts has risen from 10,360 in that year to 12,016 in March last. This is satisfactory as showing that the accounts are more in the small deposits for which the system is intended, and confirming the view taken that the liberal terms given before attracted mere investors.

5. It may be interesting to the various Local Governments and Administrations to see the nature and extent of the Savings Bank deposits in their respective Provinces, and I have accordingly compiled an additional statement, No. VII, this year, which gives these particulars. I have combined in it the figures of the Post Office and District Banks, and have also included the Calcutta Savings Bank in the column for Bengal.

6. I have checked my Savings Bank accounts with those of Provincial Accountants General, and have settled the differences with the exceptions of trifling miscalculations of interest, altogether less than two rupees, which are in course of adjustment.
